

## **Betriebshygiene**

Industrial Hygiene

*Published in Fleischerei Technik International (24)2008, 9-10, p. 22-25*

### Summary

How the operations appear characterises the image of a company. It is indisputable that adhesion of hygiene requirements is also manifested in the product quality. Requirements for hygiene compliance are also established in a series of ordinances set at EU and national levels as well as in the union recommendations.
